### General Rules:

All participants using antique machinery and tools are required to have a completed waiver on file before crafting.

Participants under the age of 18 must have a parent or legal guardian sign their waiver.

Participants under the age of 14 must be accompanied by an adult, unless otherwise specified. Parents are responsible for child supervision at all times inside Handcrafted.

Patrons of all ages are welcome to participate in Handcrafted activities, but parents or guardians must assess the appropriateness of individual activities for their children.

Abuse of the equipment, disruptive behavior, or disrespectful language will result in your immediate removal from Handcrafted, without refund.

**Permission to Photograph:** Visitors may be filmed, photographed, or recorded by Heritage Square representatives for educational and promotional uses, including for posting on the Foundation's website and social media platforms. Please inform Foundation staff if you prefer not to be photographed.

**General Release of Liability:** By visiting Handcrafted and participating in its activities, I recognize that there are risks associated, including, but not limited to contact with sharp objects, moving parts, heavy equipment, and other risks associated with the use of antique equipment. I hereby assume any and all risks of danger occasioned by my and my family's presence and participation in Handcrafted activities. I agree to release and hold harmless all agents, employees, and volunteers of Heritage Square from any claims for property or personal injury incurred during my and my family's participation in Handcrafted activities.
